WHOLESALE PRICE LIST

—OF—

Northwestern Sleigh Co.,

MILWAUKEE,

WIS.

TERMS:

MILWAUKEE, WIS., January 1st, 1889.

IN getting up our Catalogue we have endeavored to furnish illustrations that are correct representations of our goods as near as it is practicable to give on paper. It is sometimes difficult to determine from an illustration just how a vehicle looks. We endeavor to make our goods neat and stylish in design and finish, each year trying to excel the previous one. Our prices for 1889 are exceedingly low for the quality and character of the goods we are prepared to furnish.

We still have quite a large stock of sleighs which, until further notice, we will sell after this date at **20 per cent. off from our 1889 prices.**

Shall be glad to receive your order for samples at once and have you satisfy yourself as to the merits of our work, and give us your order early for a supply. All shipments of wheelwork made before March 1st will be dated as shipments of that date. All previous prices and quotations withdrawn.

We have Warerooms and Factory for finishing goods at 27 North Third Street, Minneapolis, where we carry a complete line of our goods. If you visit Minneapolis or Milwaukee shall be pleased to receive a call from you and know it will pay you to examine our stock.

Yours truly,

NORTHWESTERN SLEIGH CO.

SONG.

Fifty miles in this 'ere Cart,
Me, and my donkey, Sandy:
Just as limber as when we Start,

This's the gig that ketches me,
Aint got no horse motion:
Rides as smooth as smooth can be,
A regular Yankee notion.
